Glow Signature Medical Facial

Deep cleanse your skin with a customized facial specially designed for your condition. Includes: cleanse, hot towel steam, microdermabrasion or dermaplane, chemical peel, extractions, Bio-cellulose mask and LED red light therapy. Give your skin some much needed care and get your Glow back!

60 minutes\$175

Ultimate Glow Treatment

This multilayered treatment incorporates the best of our facial modalities to target a variety of skin issues along with replenishing tired and aging skin. The Ultimate Glow Treatment combines dermaplaning, your option of a shallow depth micro-channeling or a light LaseMD fractional resurfacing laser treatment, Biopelle Growth Factor infusion with a Bio-Cellulose moisture mask, and red LED light therapy. This treatment is comfortable with little down time. Let us help you turn your skin around, you will be amazed!

60 minutes\$495

Acne Skin Treatment

Designed to help clear congested skin and resolve active acne breakouts. Includes extractions and salicylic peel (if indicated).

30 minutes\$110

Dermaplaning

In this exfoliation treatment we use a surgical blade to manually remove dry dead skin cells and vellus hairs (peach fuzz) uncovering smooth and vibrant skin.

30 minutes \$110

Microdermabrasion

Using a diamond tip microdermabrasion device we lightly sand the skin to exfoliate and remove dry dead skin cells and smooth out rough and bumpy texture. Great for treating blackheads and to prep before a peel!
